From Barb:

This is a time to be thankful; I want to make a list. First, I appreciate my assistants Karen and Kellye. They work hard, they are inventive, they figure things out that need to be done, and do them well.

I am thankful for my good health prognosis and that I feel good enough to come to work each day. I am more than half way finished with my radiation treatments and look forward to spending time with my family for the holidays.

I am truly thankful to each one of you for the work you did to make the November 3, 2009 elections fair and accurate. We had a nice turnout of voters on Election Day, with over twice as many voters choosing to vote in their precinct on that day rather than voting in the two week early voting period.

Special appreciation is due to Lynda French, the Burnet courthouse early voting lead who arrived with the JBC on the morning of overnight flooding in the county. Nothing would keep Lynda from getting her job done! Also thank you, Lupita Blasienz, for coming to training with one day's notice and working early voting and Election Day. Sandra Howe, Tricia Henry, and Martha Mezger worked with same day notice when they were called. Jill Flynn faithfully continues to pitch in wherever she is needed for the elections department.

Thank You
