The Public Information Act

Texas Government Code, Chapter 552, gives you the right to access government records; and an officer for public information and the officer’s agent may not ask why you want them. All government information is presumed to be available to the public. Certain exceptions may apply to the disclosure of the information. Burnet County shall promptly release requested information that is not confidential by law, either constitutional, statutory, or by judicial decision, or information for which an exception to disclosure has not been sought.

Rights of Requestors

You have the right to:

- Prompt access to information that is not confidential or otherwise protected;
- Receive treatment equal to all other requestors, including accommodation in accordance with the Americans with Disabilities Act (ADA) requirements;
- Receive certain kinds of information without exceptions, like the voting record of public officials, and other information;
- Receive a written statement of estimated charges, when charges will exceed $40, in advance of work being started and opportunity to modify the request in response to the itemized statement; If estimated costs exceed $100.00 Burnet County may require a bond, prepayment or deposit.
- Choose whether to inspect the requested information (most often at no charge), receive copies of the information or both;
- A waiver or reduction of charges if the governmental body determines that access to the information primarily benefits the general public;
- Receive a copy of the communication from Burnet County asking the Office of the Attorney General for a ruling on whether the information can be withheld under one of the accepted exceptions, or if the communication discloses the requested information, a redacted copy;
- Lodge a written complaint about overcharges for public information with the Office of the Attorney General. If the complaint is against Burnet County or the district attorney of Burnet County, the complaint must be filed with the Office of the Attorney General.

- Cooperate with Burnet County's reasonable efforts to clarify the type or amount of information requested.

A. Information to be released

- You may review it promptly, and if it cannot be produced within 10 working days the County Attorney will notify you in writing of the reasonable date and time when it will be available.
- Keep all appointments to inspect records and to pick up copies. Failure to keep appointments may result in losing the opportunity to inspect the information at the time requested.
Cost of Records
☐ You must respond to any written estimate of charges within 10 business days of the date Burnet County sent it or the request is considered automatically withdrawn.
☐ If estimated costs exceed $100.00 Burnet County may require a bond, prepayment or deposit.
☐ You may ask Burnet County to determine whether providing the information primarily benefits the general public, resulting in a waiver or reduction of charges.
☐ Make a timely payment for all mutually agreed charges. Burnet County can demand payment of overdue balances exceeding $100.00, or obtain a security deposit, before processing additional requests from you.

B. Information that may be withheld due to an exception
☐ By the 10th business day after Burnet County receives your written request, Burnet County must:
   1. request an Attorney General opinion and state which exceptions apply;
   2. notify the requestor of the referral to the Attorney General; and
   3. notify third parties if the request involves their proprietary information.
☐ Failure to request an Attorney General opinion and notify the requestor within 10 business days will result in a presumption that the information is open unless there is a compelling reason to withhold it.
☐ Requestors may send a letter to the Attorney General arguing for release, and may review arguments made by Burnet County. If the arguments disclose the requested information, the requestor may obtain a redacted copy.
☐ The Attorney General must issue a decision no later than the 45th working day from the day after the attorney general received the request for a decision. The attorney general may request an additional 10 working day extension.
☐ Burnet County may not ask the Attorney General to "reconsider" an opinion.
