BURNET COUNTY BUDGET POLICY

The stewardship of public funds is one of the greatest responsibilities the Commissioner's Court is tasked with. Therefore, the establishment and maintenance of budget policy is critical to ensure County officials protect public interests and promote citizens' confidence in County government...

I. General Policies

1. Burnet County will operate on a fiscal year which begins on October 1st and ends on September 30th.
2. Burnet County will continuously identify areas within the County for evaluation in order to improve efficiency and manage costs.
3. Cost/Benefit studies will be conducted, where appropriate and applicable, on non-recurring and recurring expenditures as well as capital projects.
4. Approved annual budgets, with amendments as approved by the Commissioner's Court, are the management control device utilized by the County. Annual appropriated budgets are adopted for the General, Road and Bridge and Debt Services Funds and lapse at fiscal year end.
5. Each department should make every effort to manage expenditures in a fiscally prudent manner. All programs should be monitored on a regular basis to ensure viability, necessity and efficiency.
6. Proposed expenditure recommendations shall include the following:
 - a. General Fund operating and maintenance expenditures
 - b. Road and Bridge Fund operating and maintenance expenditures
 - c. Debt Service Fund expenditures
 - d. Any additional information as requested by the Court
7. Technology requests should increase the efficiency of County government by improving the delivery of service, reducing duplication of data, increasing the accuracy of data, consolidating data entry efforts, reduce the necessity to add staff in future years or be required because of a new statutory requirement.

8. In order to maintain efficient and cost-effective services to the citizens of Burnet County, all budget requests are recommended to be prepared from the modified zero-based budgeting process justifying the proposed expenditures as well as utilizing the most current information and trend analysis.
9. Approved capital expenditures are requested to be purchased after February of the budget year to allow for ad valorem revenue to be received by the County.

II. Revenue and Transfer Policies

1. Burnet County will establish user charges and fees as permitted by law at a level related to the cost of providing that service to include direct and indirect costs.
2. When necessary, Burnet County will permit increases or decreases in user charges and fees. These charges and fees should be monitored and re-evaluated annually by each department head and/or elected official.
3. The County shall continuously seek public and private grants as well as other outside funding sources.
4. Road and Bridge increases in revenues will be allocated based on the methodology approved in a regular session of commissioners' court dated, July 25, 2017. That allocation is based on a combination of 50% of the revenue an even disposition of 25% to each precinct and the other 50% based on the current years taxable value per precinct.
5. Burnet County allows a department head, appointed/elected official or his/her designee to request line item transfers throughout the fiscal year. Commissioners Court approval for all line items below \$500 will not be required, unless deemed necessary by the County Auditor. Pursuant to Local Government Code Section 111.070, the Commissioner's Court may spend County funds only in strict compliance with the budget. The Commissioner's Court by order may amend the budget to transfer an amount budgeted for one item to another budgeted item without authorizing an emergency expenditure.
6. There will be no line item transfers approved from the following funds:
 - a. Salaries (except to other salary line items, if it follows county policy)
 - b. Fringe benefits (FICA, Retirement, and Health Benefits)
 - c. Gasoline
 - d. Cell Phones
 - e. Utilities
 - f. Capital Expenditures

III. Reserve Policies

1. Burnet County will maintain at least a 25% level of fund balance in the General and Road & Bridge funds and 20% in Debt Service fund to mitigate current and future risks, maintain an exceptional bond rating, and for long-term planning.
2. It is imperative that all department heads as well as elected officials continuously review expenditures to ensure fiscal responsibility.

IV. Budget Amendment Policies

1. Pursuant to Local Government Code, Section 111.070 (b), the Commissioner's Court may authorize an emergency expenditure as an amendment to the original budget only in case of a grave public necessity to meet an unusual and unforeseen condition that could not have been included in the original budget through the use of reasonably diligent thought and attention.
2. All budget amendments must be placed on the regular agenda for consideration by the Commissioner's court and any amendments creating an increase in budgetary commitment for the next fiscal year shall be specifically noted.
3. The re-appropriation at the beginning of a fiscal year of funds committed under valid purchase orders of the County but unspent by September 30th of the prior fiscal year require a budget amendment from fund balance. These budget amendments have no net effect on spending but simply change the accounting year for expenditures.

V. Capital Improvement Policies

1. Capital improvement projects include major equipment, software purchases as well as construction and remodeling requiring extensive funding.
2. Capital improvement projects may be paid from current revenues or bonds. Bonds or other forms of debt will normally be used for capital projects when appropriate.

VI. Personnel Policies

1. It is the priority of the Court to provide adequate and qualified staffing for offices and departments while ensuring efficiency. Requests for staff should be made only for new programs and/or upon demonstrated increases in service requirements that cannot be met with improved technology or changes in procedures.

2. Positions will only be recommended and approved when a verifiable need is demonstrated. Complete documentation to include any applicable and verifiable statistics, metrics, compliance requirements, job description, etc. should be provided at the time of the request.
3. The Court encourages and supports allocating funding to ensure the County's work force is properly trained. It is recommended that all department heads as well as elected officials additionally support reasonable continuing education requests.
4. The Court strives to ensure, where possible and practical, that employee compensation will be competitive with other similarly situated counties and/or local municipalities

VII. Fleet Policies

1. Vehicle replacement funding will be allocated to each department when necessary. Vehicle replacement recommendations will include the following criteria:
 - g. Miles
 - i. Active Law Enforcement—150,000
 - ii. Other Law Enforcement—175,000
 - iii. All other Departments—175,000
 - h. Maintenance, records to be kept by department heads and reviewed during the budget process
2. County vehicles are not permitted to be taken home unless approved by Commissioners' Court in advance, unless:
 - a. Home travel is within a 25-mile radius of Burnet County.
 - b. Law Enforcement.

Reviewed and approved at the Burnet County Commissioners' Court, April 24, 2018.

The general fund is used to account for all financial resources except those required to be accounted for in another fund.

Revenues are reported by type while expenditures are reported by department and line item.

This special revenue fund was created to account for revenues received from the collection of a hotel occupancy tax levied upon the customers renting or leasing, or otherwise occupying any room or space furnished by any hotel in Burnet County, outside the city limits of Marble Falls, Granite Shoals, Burnet and Bertram. The 5% tax was approved by Commissioners' Court on December 8, 2003 and became effective on April 1, 2004. Hotel operators are authorized to retain 1% of the hotel occupancy tax collected as reimbursement for the costs of collecting the tax.

Expenditures are to fund projects related to economic development in the County.

Law Library Fund

This special revenue fund was created to account for all financial resources in the county's law library. The law library is available to the general public. It's primary users are the District Judges, District Attorney, County Court-at-Law Judge, County Attorney, prosecuting attorneys and defense attorneys.

Revenue to fund the operation of the law library comes from fees collected on civil and probate cases in District Court and County Court-at-Law.
