

## Questions/answers

### 23-5120-02 Inmate Healthcare Services

- Would the County consider waiving the requirement that proposers must have active contracts with at least five County Jails in the State of Texas? **\*\* We are going to remove the words "in the State of Texas" from page 2, Section 1, line A.**
- Question about mandatory pre-bid: the contract does not state its mandatory so they can bid even if they don't come? **\*\* Yes, they can bid even if they do not come to the pre-bid.**

1. Section 1: Minimum Qualifications for all Proposers, Paragraph C: The successful Proposer must operate healthcare services based on National Commission on Correctional Healthcare (NCCHC) and/or American Correctional Association (ACA) policies and procedures and provide one (1) reference with such accreditation standards within the state of Texas.

a. Would Burnet County accept references with NCCHC or ACA accreditation from outside the state of Texas? **\*\* We have amended our RFP**

2. Section 1: Minimum Qualifications for all Proposers, Paragraph E: The Proposer must carry a professional liability or medical malpractice insurance policy in an amount of \$1,000,000 per occurrence and \$5,000,000 in the annual aggregate.

a. The requested insurance limits exceed the requirements of the current contract. Please verify the current insurance limits are acceptable for the new contract in order to reduce the need to significantly increase the price of the proposed program. **\*\* We have amended our RFP**

current computers/equipment used by medical provider
