Burnet County Community Services Restitution Program - 33rd / 424th Judicial Districts Intermediate Sanction Facility

Thank you for participating in Burnet County's Recycling Program!

Every aquifer in Burnet County has a local recharge area that is a direct pathway for freshwater & potential contaminants to enter

DID

1 gallon of used motor oil can contaminate 1 million gallons of freshwater

YOU

Recycling your waste helps preserve groundwater quality - it is difficult and very expensive to clean contaminated groundwater

KNOW

Over 50% of the people in Burnet County are dependent upon groundwater for their homes

GET GROUNDWATER NEWS AND TIPS BY SIGNING UP FOR OUR NEWSLETTER

The mission of the groundwater district is to protect and enhance the groundwater resources of Burnet County. We adopt and enforce rules to protect groundwater users and also to maintain the economic vitality of the communities we serve. To learn more about Burnet County Aquifers and your well, visit www.centraltexasgcd.org or call us at 512-756-4900.

Water is for every Texan. Every Texan should be for Water.

Burnet County relies on 6 aquifers, and parts of all 5 Highland Lakes. Most creeks & streams start from groundwater.

Rocks Matter: Burnet County's unique geology contributes to a complex aquifer system.

BURNET COUNTY RUNS ON WATER

Water is the key ingredient for life in Texas- it's the heart of everything we do. It's the lifeblood of our state.
