

## Addendum I

### 26-6640-02 Questions & Answers

1. Does the County have any existing inventory of buildings and properties already? **See questions 5 for the list we know of, we are wanting this done also to see if we are missing any other buildings/properties that may be considered historic.**
2. Would the County be interested in a phased approach to the scope of work based on available funding? **Submit the qualifications and proposals. Any future items will be discussed after award.**
3. Can the County clarify the difference Condition Assessment Reports for each structure and what is expected for the Hattie and Laymond Family Ranch? **We need an assessment to benchmark whether the occupant is maintaining the house and buildings as required in the conveyance documents.**
4. Depending on the number of historic buildings/properties identified, would the County be open to limiting the Conditions Assessment scope to a certain amount of buildings, dependent on funding? **Submit the qualifications and proposals. Any future items will be discussed after award.**
5. Could you please confirm how many historic buildings are included within the scope of this RFP? **4 historic buildings (Briggs, Oakalla, Old Jail and Fort Croghan), Lake Buchanan Boat Ramp/Park, Stringtown Cemetery, Hattie and Laymond Family Ranch (800 acres donation).**
