1.4. The County is exempt from federal excise and state sales tax; therefore, tax must not be included in this bid.

1.5. **TERM OF CONTRACT:** Offeror will furnish the required services and products at the price quoted and will not raise the prices for the contract period. Contract Period shall be April 08, 2025

to April 07, 2026.

1.6. OPTION TO RENEW: This contract may be extended provided all terms and conditions, except for the contract period being extended or any price redetermination as authorized elsewhere in this contract, remain unchanged and in full force and effect. This Option to Renew requires the mutual agreement in writing of both parties. Refusal by either party to exercise this Option to Extend shall require this contract to expire on the original or mutually agreed date. The normal extension period shall be one (1) year increments. The total period of this contract, including all extensions as a result of exercising this option may not exceed a maximum combined period of two (2) years.

1.7 ECONOMIC ADJUSTMENTS: The Vendor is required to submit an affidavit substantiating that the increase represents the cost for services, materials, or fuel escalation and in no way represents an increase of profits, labor or other overhead. The Vendor must justify its request for an increase by submitting evidence from the Consumer Price Index and suppliers detailing the price changes, the effective date for change and any other information requested by the County to verify the price change. Conversely, if costs in services or materials decrease, the same amount of decrease shall be immediately passed on to the County. The County may request information to verify pricing throughout the term of the contract. Consequently, in the event that such statement or affidavit is not received and approved by the County, the Vendor hereby releases the County from any and all liability whatsoever to pay for delivered materials at the new price prior to the Vendor's notification to the County. No payments shall be made on invoices not listing a Purchase Order Number. The County may elect to pay invoices with a procurement card.

1.10. Continuing non-performance of the Vendor in terms of specifications shall be a basis for the termination of the contract by the County. County shall not pay for supplies/services which are unsatisfactory. County may give Vendor a reasonable opportunity before termination to correct the deficiencies. This, however, shall in no way be construed as negating the basis for termination for non-performance.

1.11. Quantities indicated in the ITB are estimated based upon the best available information. County reserves the right to increase or decrease the quantities to meet its needs without any adjustment in the ITB price.

1.12. The extension of this contract as provided above is contingent on the appropriation of necessary funds by Commissioners Court for the fiscal year in question. Upon the failure of Commissioners Court to so appropriate in any year, Vendor may elect to terminate this agreement, with no additional liability to the County. shall be Vendor's sole remedy under this circumstance.

Bidder/Offeror offices, administration and/or place of business will not be on the County premises and will be the bidder/offeror responsibility. Only those costs shown on the Pricing/Delivery Sheet and confirmed by a purchase order will be paid.

It is also understood that any and all persons who provide services under Contract to the County, resulting from this ITB, shall be and remain employees of the Contractor, not the County. It is understood and agreed that the bidder/offeror is solely responsible for all services being provided and shall provide adequate insurance to cover against any and all losses incurred by the bidder/offeror employees and or equipment during the course of the Contract.

This ITB in no manner obligates the County or any of its agencies to the eventual purchase of any goods and/or service described, implied or which may be bid, until confirmed by a written Contract and purchase order. Progress toward this end is solely at the discretion of the County and may be terminated at any time prior to the signing of a Contract.

The County will not be liable for any costs incurred by the vendor in preparing a response to this ITB. The County makes no guarantee that any goods and/or services will be purchased as a result of this ITB, and reserves the right to reject any and all bids/offers. All bids/offers and their accompanying documentation will become the property of the County.

2. Be able to comply with the required or proposed delivery schedule;
3. Have a satisfactory record of performance;
4. Have a satisfactory record of integrity and ethics; and
5. Be otherwise qualified and eligible to receive an award.

The County may request representation and other information sufficient to determine bidder/offeror ability to meet these minimum standards listed above.

1.18. Bidder/Offeror must provide any and all warranty terms and conditions. Bidder/Offeror Terms & Conditions are subject to the review and approval of the County. In the event of conflicting Terms & Conditions, the terms submitted in the solicitation package shall prevail. Bidder/Offeror must clearly identify any conflict with Terms & Conditions by denoting them on the same page where the conflicting Terms and Conditions appear.

1.19. The bidder/offeror shall make himself familiar with and at all times shall observe and comply with all federal, state, and local laws, ordinances and regulations which in any manner affect the conduct of the work.

1.20. **HAZARDOUS SUBSTANCES:** State law requires that shipments of hazardous substances shall include SAFETY DATA SHEETS (SDS). SDS must be supplied with the first order shipped under any contract, and at any time SDS is revised.

1.21. Payment shall not constitute an acceptance of the item(s) contained in this ITB, nor impair the County's right to inspect any of its remedies.

1.22. The price to be paid by the County shall be that contained in the Bid Specification/Bid Form, which the bidder/offeror warrants to be no higher than bidder/offeror current prices on orders by others for products of the kind and specification covered by this agreement for similar quantities under similar or like conditions and methods of purchase.

1.23. County reserves the right to select evaluation methods deemed most appropriate. Each ITB will be evaluated on a case-by-case basis, regardless of any previous evaluation method.

1.24. Whenever an article or material is defined by describing a proprietary product or by using the name of a manufacturer, the term "or equal" if not inserted shall be implied. The specific article or material shall be understood as descriptive, not restrictive.

1.25. Title and Risk of Loss of goods, supplies, equipment, or services shall not pass to County until County actually receives and takes possession of the goods, supplies, equipment, or services at the point(s) of delivery.

1.26. The bidder/offeror agrees that the goods, equipment, supplies, or services furnished under this contract shall be covered by the most favorable commercial warranties offered by the bidder/offeror to any customer for such goods, equipment, supplies, or services. The bidder/offeror shall not limit or exclude any express, written, or implied warranties and any attempt to do so shall render this contract voidable at the option of the County. The bidder/offeror warrants that the product sold to the County shall conform to the standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act of 1970.

1.27. All insurance requirements, including workmen's compensation and liability, as outlined in Texas state statutes, shall be met prior to any services rendered and shall remain in effect during the time of this contract. Payments shall not become due and payable until such certificates have been filed.

1.28. The parties herein agree that this Contract shall be enforceable in Burnet County, Texas, and if legal action is necessary to enforce it, exclusive venue shall lie in a court of competent jurisdiction in Burnet County, Texas.

1.29. This Contract shall be governed by and construed in accordance with the laws of the State of Texas and all applicable Federal Laws.

1.30. This ITB, along with the Contract, submitted documents, and negotiations, when properly accepted and awarded by Burnet County Commissioners Court shall constitute a contract equally binding between the successful bidder/offeror and County. No different or additional terms will become a part of this contract with the exception of a Change Order. This Contract embodies the complete agreement of the parties hereto, superseding all oral or written previous and contemporary agreements between the parties and relating to matters herein, and except as otherwise provided herein cannot be modified without written agreement of the parties.

1.31. The vendor shall indemnify and hold harmless the County and its duly appointed officers, agents and employees for all suits, actions, losses, damages, claims, or liability of any character, type, or description, including without limiting the generality of the foregoing all expenses of litigation, court costs, and attorney's fees for injury or death to any person, or injury to any property, received or sustained by any person or persons or property, arising out of, or occasioned by, the acts of vendor's officers, agents or employees.

1.32. If a court of competent jurisdiction determines that any term of this agreement is invalid or unenforceable to any extent under applicable law, the remainder of this agreement (and the application of this agreement to other circumstances) shall not be affected thereby, and each remaining term shall be valid and enforceable to the fullest extent permitted by law.

1.33. This Contract shall not be assignable by the vendor without prior written consent of the County. This agreement shall be binding on and inure to the benefit of the successors and assigns of the respective parties to this agreement.

1.34. If the vendor defaults in the performance of this contract or materially breaches any of its provisions, County shall have the right to terminate this contract by giving written notice of termination within thirty (30) days of the occurrence of the default or material breach.

1.35. **INTERLOCAL PARTICIPATION:** It is hereby made a precondition of any bid/offer for a Contract for supplies or services and a part of these specifications, and that the submission of any bid/offer in response to this request constitutes a bid/offer made under the same conditions, for the same price, and for the same effective period as this bid/offer, to any other governmental entity having an interlocal agreement with Burnet County.

The County is committed to promote full and equal business opportunity for all businesses to supply the goods and services needed to support the mission and operations of county government, and seeks to encourage the use of certified historically underutilized businesses (HUBs) through the use of race, ethnic and gender neutral means. It is the policy of Burnet County to involve certified HUBs to the greatest extent feasible in the County's procurement of goods, equipment, services and construction projects while maintaining competition and quality of work standards. The County affirms the good faith efforts of firms who recognize and practice similar business standards.

II. DEFINITIONS

Historically Underutilized Businesses (HUBs), also known as a disadvantaged business enterprise (DBE), are generally business enterprises at least 51% of which is owned, and the management and daily business operations are controlled by one or more persons who is/are socially and economically disadvantaged because of his or her identification as a member of certain groups, including women, Black Americans, Mexican Americans and other Americans of Hispanic origin, Asian Americans and American Indians.

Certified HUBs includes business enterprises that meet the definition of a HUB and who meet the certification requirements of certification agencies recognized by Burnet County.

Businesses include firms, corporations, sole proprietorships, vendors, supplier's contractors, subcontractors, professionals and other similar references when referring to a business that provides goods and/or services regardless of the commodity category.

Statutory bid limit refers to the Texas Local Government Code provisions that require competitive bidding for many items valued at greater than \$50,000.

III. POLICY GUIDELINES

- A. Burnet County, its contractors, their subcontractors and suppliers, as well as all vendors of goods, equipment and services shall not discriminate on the basis of race, color creed, gender, age, religion, national origin, citizenship, mental or physical disability, veteran's status or political affiliation in the award and/or performance of contracts. All entities doing business or anticipating doing business with County shall support, encourage and implement affirmative steps toward a common goal of establishing equal opportunity for all citizens and businesses of the County.
- B. Burnet County will use and recognize the State of Texas Historically Underutilized Business certification process in conjunction with the implementation of this policy. The County may recognize other agencies certifications processes recognized by the State of Texas. Burnet County reserves the right to review the certification status of any vendor applying to do business with the County. The review will be accomplished to determine the validity and authenticity of the vendor's certification as a HUB.
- C. The Commissioners Court may establish HUB target goals. Through a systematic approach of soliciting quotes, bids and proposals from certified HUBs and in compliance with applicable state and federal law this policy will strive to meet those goals.
 - 1. Target goals should consider:
 - a. The availability of HUB firms within the specific category of goods or services to be procured; and
 - b. The diversity of the County's population.
 - 2. The goals should be reviewed and amended periodically.
 - 3. The program may apply to all County procurements including construction and professional services.
 - 4. Particular attention will be given to HUB participation on purchases in excess of the statutory bid limit.
 - 5. Commissioners Court will use good faith efforts to meet the goals of this policy.
- D. Burnet County will actively seek and encourage HUBs to participate in all facets of the procurement process by:
 - 1. Utilize the State of Texas Historically Underutilized Business vendor database.

2. Advertise bids on the County's website and in the local newspaper.
 3. Provide bid notice to minority Chambers of Commerce within Burnet County, if applicable.
- E. As prescribed by law, the purchase of one or more items costing in excess of the statutory bid limit must comply with the competitive bid process. Where possible, those bids will be structured to include and encourage the participation of HUB firms in the procurement process.
- F. A HUB Policy statement shall be included in all specifications. The County will consider the bidder's responsiveness to the HUB Policy in the evaluation of bids and proposals. Failure to demonstrate a good faith effort to comply with the County's HUB policy may result in a bid or proposal being considered non-responsive to specifications.
- G. The Purchasing Office will actively search the State Comptroller's HUB vendor list in the quotation process for purchases under the statutory bid limit.
- H. Nothing in this policy shall be construed to require the County to award a contract other than to the lowest responsive bidder as required by law. This policy is narrowly tailored in accordance with applicable law.

IV. ADMINISTRATIVE GUIDELINES

- A. The Purchasing Office shall serve as the County's HUB Office with responsibility for the implementation, monitoring and general operations of the HUB policy. The Purchasing Director shall serve as the County HUB Officer.
1. The HUB Officer will establish procedures to implement this policy across the full spectrum of the procurement process. The County HUB Office will periodically review with department head and elected officials regarding procurement opportunities.
 2. Managing the policy and training buyers and other County personnel in order to meet County goals will be the responsibility of the HUB Office.
 3. The HUB Office will cooperate with other local government entities to increase HUB participation throughout the county and region. The HUB Office is encouraged to participate in educational and other outreach programs to assist HUB firms.

4. Any complaints and/or recommendations regarding the implementation of this policy will be received and reviewed by the HUB Officer. Further, the HUB Office will audit for compliance to the HUB Policy on eligible projects after award, during the performance of the contract and after completion, while also making any recommendations to Commissioner's Court regarding any irregularities or misrepresentations of facts as they relate to compliance with the policy. The HUB Office will review documentation submitted by HUB firms in compliance with this policy.
