A complete copy of Chapter 176 of the Local Government Code may be found at <http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm>. For easy reference, below are some of the sections cited on this form.

Local Government Code § 176.001(1-a): "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

Local Government Code § 176.003(a)(2)(A) and (B):

- (a) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

(A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that

- (i) a contract between the local governmental entity and vendor has been executed; or
- (ii) the local governmental entity is considering entering into a contract with the vendor;

(B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:

- (i) a contract between the local governmental entity and vendor has been executed; or
- (ii) the local governmental entity is considering entering into a contract with the vendor.

Local Government Code § 176.006(a) and (a-1)

- (a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:

- (1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);
- (2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or
- (3) has a family relationship with a local government officer of that local governmental entity.

(a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:

- (1) the date that the vendor:
 - (A) begins discussions or negotiations to enter into a contract with the local governmental entity; or
 - (B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or
- (2) the date the vendor becomes aware:
 - (A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);
 - (B) that the vendor has given one or more gifts described by Subsection (a); or
 - (C) of a family relationship with a local government officer.

IMPROVEMENT RECOMMENDATIONS

BURNET COUNTY

AA0634-001

BRIDGE NAME: County Road 200 over North Fork San Gabriel River

DESCRIPTION: Pratt through truss with 4 timber stringer approach spans. Steel, timber, and concrete supports. Miscellaneous shoring under the southwest approach spans. Nail laminated timber deck with asphalt overlay.

MAJOR PROBLEMS

1. The bridge is posted for a weight limit of 7500 lbs Axle or Tandem (Sign R12-2Tb).
2. The bridge is in danger of collapsing under light weight vehicles because 5 stringers in the southwest panel of the truss span have been cracked by over loads (See inspection report dated May 1, 1998 for details). The bridge needs to be closed until these cracked stringers are replaced.

RECOMMENDATIONS

1. Close the bridge.
2. Replace the cracked stringers in the southwest panel of the truss span.
3. After the above repairs have been made the bridge can be reopened with the existing weight limit of 7500 lbs Axle or Tandem (Sign R12-2Tb).
4. Further strengthening of the bridge is not advisable due to the age and deteriorated condition of the truss, floorbeams, and stringers.
5. The bridge should be replaced with one of heavier construction if it is desirable to increase the safe load capacity above the existing weight limit of 7500 lbs Axle or Tandem (Sign R12-2Tb).

Re: *Recorded Texas Historic Landmark project review,
Joppa Iron Truss Bridge, Joppa, Burnet County (RTHL)*

Dear Mr. England,

Thank you for providing notification regarding proposed work to a Recorded Texas Historic Landmark (RTHL) which we received May 19, 2020. This letter represents the comments of the Executive Director of the Texas Historical Commission.

The review staff, led by Pam Opiela, has the following comments after reviewing the project documentation. It is our understanding that work proposed on the historic bridge will include removing the west approach to the bridge and closing it off with a rail/pedestrian barrier; removing the wood bridge deck and wood bridge beams to inspect and repair bridge, but replacing the bridge deck and wooden beams with similar wood components; inspecting steel bridge members and repairing as needed; and regrading area to the east of the bridge to improve drainage conditions. The information you provided showed these modifications are needed because the bridge is no longer structurally sufficient to use as a bridge with the 2 approaches. We believe that this work meets the *Secretary of the Interior's Standards for Rehabilitation* and you may proceed without further consultation with our office.

Thank you for your interest in the cultural heritage of Texas, and for the opportunity to comment on this proposed project in accordance with Recorded Texas Historic Landmark legislation. We hope to maintain a partnership that will foster effective historic preservation. If you have any questions concerning our review or if we can be of further assistance, please contact Pam Opiela at pamela.opiela@thc.texas.gov.

Sincerely,

Pam Opiela, Architect/Federal and State Project Reviewer
