

**CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT ("District")
NOTICE OF HEARING ON APPLICATION FOR PERMIT**

NOTICE: the General Manager of the District has determined the following application(s) are administratively complete, conducted a technical review of applications, and prepared recommendations for consideration by the Board of Directors ("Board"): A preliminary hearing on the proposed permits will be held on Tuesday July 21, 2026 at 9:00 a.m. at the District's office at 303 Bluebonnet Drive, Burnet, TX 78611, in accordance with the District's rules. Each proposed permit application and its underlying application is available for inspection at the District's office.

The Board of Directors may deny or grant in full or in part a permit application, and issue a permit in any amount less than, or equal to the amount claimed in the application, based upon the evidence received at the hearing and notwithstanding the General Manager's recommendation.

In order to request a contested case hearing on an application, the applicant or an affected person, in accordance with District Rules must provide the District with a written request for a contested case hearing seven (7) days before the date of the intended action stated in this notice and appear before the Board at the hearing and oppose the application. Written requests received after this deadline will not be considered timely filed, and will not be further processed by the District.

Amendment to Operating Permit

Application OP-10101906-A

Applicant: Brian Robinson

P.O. Box 1813

Bertram, TX 78605

Address of well location:

6151 CR 200

Burnet, TX

BCAD Property ID: 50829

Annual Production: 200 acre feet

Number of Wells: 20

Purpose of use of the water: Irrigation.

Aquifer: Trinity Aquifer

Comments: Adding Domestic and Livestock use to an existing aggregate permit. No new wells and no increase in total volume being requested.

For information about a permit application or submitting a contested case hearing request, contact the District by phone at 512-756-4900, in person at 303 Bluebonnet Drive, Burnet, Texas , or visit the District's website at www.centraltexasgdc.org.

These proposed permit(s), if issued as final permits, would authorize the permit holder to withdraw and beneficially use groundwater within the Central Texas Groundwater Conservation District according to the terms and conditions set forth in the permits.

Certification: I, the undersigned authority, do hereby certify that on July 8, 2026 at or before 4:00 p.m., I posted and filed the above notice of intended action with the Burnet County Clerk's office for filing in the hallway of the Burnet County Courthouse in a place convenient and readily accessible to the general public at all times. I also certify that a copy of the notice was posted at the District's office and that it will remain so posted continuously, as required for the specific permit type, immediately preceding the scheduled action.

Mitchell Sodek, General Manager
Central Texas Groundwater Conservation District
