

**CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT
NOTICE OF HEARING ON PROPOSED DESIRED FUTURE CONDITIONS**

June 25, 2026

NOTICE IS HEREBY GIVEN to all interested persons within Burnet County, Texas:

That the Board of Directors of the Central Texas Groundwater Conservation District (the "District") will hold a public hearing and accept public comment on the proposed Desired Future Conditions ("DFCs") for the Trinity, Ellenburger-San Saba, Hickory and Marble Falls Aquifers in accordance with Section 36.108(d-2) of the Texas Water Code. The purpose of the hearing is to provide interested members of the public the opportunity to appear and provide comments to the District related to the proposed DFCs.

The District developed the proposed DFCs as required by Chapter 36 of the Texas Water Code with the other districts in Groundwater Management Area 8 ("GMA 8") which include, Clearwater Underground Water Conservation District, Middle Trinity Groundwater Conservation District, North Texas Groundwater Conservation District, Northern Trinity Groundwater Conservation District, Post Oak Savannah Groundwater Conservation District, Prairielands Groundwater Conservation District, Red River Groundwater Conservation District, Saratoga Underground Water Conservation District, Southern Trinity Groundwater Conservation District, and Upper Trinity Groundwater Conservation District. GMA 8 adopted proposed DFCs on March 31, 2026, which have been distributed to the individual districts for a 90-day comment period and public hearing.

The proposed DFCs approved by the district representatives of GMA 8 for the Trinity, Ellenburger-San Saba, Hickory and Marble Falls Aquifers are described in terms of total average drawdown in water levels measured in feet. For the District, the relevant proposed DFCs include the following at the Aquifer scale and District-wide scale:

GMA 8 Proposed DFCs adopted at an aquifer-wide scale for Northern Trinity and Woodbine aquifers based on total average drawdown in feet from 2020-2080 (both unconfined and confined drawdown)

GMA 8 Adopted DFCs - Aquifer-Wide Scale							
Woodbine	Paluxy	Glen Rose	Hensell	Hosston	Travis Peak	Twin Mountains	Antlers

The proposed DFCs were also approved on both an aquifer-wide scale and on a county-by-county scale. A copy of the proposed DFCs and related supporting material may be requested by email at sodek@centraltexasgcd.org, is available for reviewing or downloading at www.centraltexasgcd.org, and may be reviewed, inspected, or obtained in person at the District office located at 303 Bluebonnet Drive, Burnet, Texas. All questions or requests for additional information regarding the proposed DFCs may be submitted to District General Manager Mitchell Sodek by telephone at (512) 756-4900, email at sodek@centraltexasgcd.org, or mailed to 303 Bluebonnet Drive, Burnet, Texas 78611.

The public hearing will be held on **June 25, 2026, beginning at 9:00 a.m.**, at the District Office located at 303 Bluebonnet Drive, Burnet, TX 78611.

Any person who desires to appear at the hearing and present comment or other information on the proposed DFCs may do so in person, by legal representative, or both. Limits may be placed on the amount of time that each person is allowed to present verbal comments, but written comments may also be submitted to the District General Manager. The District will accept written comment until 5:00 p.m. July 22, 2026. The written comments may be mailed or hand delivered to the District office address above or emailed to sodek@centraltexasgcd.org.

This public hearing is available to all persons regardless of disability. If you require special assistance to attend the hearing, please contact the District at (512) 756-4900 at least 24 hours in advance of the hearing.

Certification: I, the undersigned authority, do hereby certify that on June 12, 2026 at or before 4:00 p.m., I posted and filed the above notice of hearing with the Burnet County Clerk's office for filing in the hallway of the Burnet County Courthouse in a place convenient and readily accessible to the general public at all times. I also certify that a copy of the notice was posted on the door and on an outside window of the District's office and that it will remain so posted continuously, as required for the specific hearing type, immediately preceding the scheduled time of said hearing.
