

A group of children are sitting around a table, engaged in a craft project. They are using various materials like colored paper, glue, and markers. One child is holding a yellow glue bottle, another is using scissors, and another is holding a pencil. The table is covered with colorful paper and craft supplies. The background is slightly blurred, focusing on the children's hands and the materials they are using.

# Makerspace Day!

1<sup>st</sup> & 3<sup>rd</sup> Tuesdays

in June & July

10:30 - 5:00
