BURNET COUNTY ORDER TO STAY IN PLACE AND STAY SAFE

WHEREAS, on March 13, 2020, Governor Greg Abbott declared a state of disaster due to COVID-19; and

WHEREAS, on March 16, 2020, the CDC lowered the recommended number of persons at mass gatherings to 10 persons; and

WHEREAS, because of the risk of the rapid spread of the virus, the need to protect the most vulnerable members of the community, the intent to ensure that the maximum number of people self-isolate in their places of residence to the maximum extent feasible, while enabling essential services to continue, and the desire to slow the spread of COVID-19 to the maximum extent possible, this Order is required; and

WHEREAS, this Order is issued based on evidence of increasing occurrence of COVID-19 within Burnet County and throughout the Central Texas area, scientific evidence and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID-19 specifically, and evidence that the age, condition, and health of a significant portion of the population of Burnet County places it at risk for serious health complications, including death, from COVID-19; and

One proven way to slow the transmission is to limit interactions among people to the greatest extent practicable. Am I allowed to leave my home while this Stay in Place and Stay Safe is in effect?

The intent of this Stay in Place and Stay Safe is to ensure that people remain in their Residences and minimize social interactions outside of their immediate family unit. However, you may leave your Residence for reasons specified in the Stay in Place and Stay Safe. These "Essential Activities" include ensuring the health and safety of yourself and your family, engaging in outdoor activity that does not involve close contact with other people, obtaining services and supplies for yourself and your family, and performing employment functions that are permissible under the Stay in Place and Stay Safe.

What is "Essential Activity"?

"Essential Activity" means engaging in activities or performing tasks that are deemed essential to your wellbeing and that of the community. Essential Activities include, but are not limited to activities such as:

Can I go to the grocery store?

Yes. However, families should not use grocery stores as a group outing. Family should shop for needed items only. Hoarding food and other supplies is discouraged. People should quickly and efficiently shop and not use the grocery store as a "hang-out" location. Get what you need and leave.

Can I go to the park?

Yes, if open. Burnet County owns only one public park which can be accessed during regular hours for exercise and outdoor activity as long as the Social Distancing Requirements are followed. Please check with individual cities or State agencies regarding parks which they control located inside of Burnet County.

No, this is not an "Essential Activity.". For your safety as well as other's safety, we need to help each other fight the spread of COVID-19 by staying at home.

Can I leave home to care for my elderly parents or friends who require assistance to care for themselves, or a friend or family member who has disabilities?

Yes, but please follow all health and safety guidelines such as washing hands, using hand sanitizer, maintaining at least six feet of distance when possible, and coughing or sneezing into a tissue. Please note that this activity should be limited to essential care only.

Will all business offices and stores be required to close? What are "Essential Businesses"?

"Essential Businesses" may stay open and their employees may leave home to go to work. Please refer to Section 10 for a description of "Essential Businesses."

What if my business IS NOT considered an Essential Business?

Your employees can work from home if their jobs are ones that can be performed remotely. Non-essential businesses may still conduct "Minimum Basic Operations," as defined in Section 10(h) of the Stay in Place and Stay Safe.

Can I leave home to go to my church, synagogue, or mosque?

No. However, places of worship can offer remote access to services, such as by emails, video streaming, or teleconference.
